It = itself

Them = themselves

Our = Ourselves

Your = yourselves.

14- Who ... you ...for?

Correct Answer: "A" (Are /waiting) **Explanation:** we usually find the verb to be as auxiliar verb in continuous tenses and in mean verb or base verb usually have + ing , like I'm dancing , so there is no sense to say who were you wait for , without + ing.

15- Paulina Chiziane ...a new book recently.

Correct Answer: "B", (published) , **Explanation:** the verb to publish is in past , and the action is in past , but still affecting the present .

16- My brother was born after colonialism but he ...during the civil war.

Correct Answer: "C" (grew up) , **Explanation:**the verb is also in past simple but it is one of Irregular verbs.

17- If we pass this year, we ... a scholarship next year.

Correct Answer: "D" (will get) **Explanation:** here we have a Conditional sentence and it must be the first Conditional sentence used to express likely future events or possibilities , often used in advice ,warning and plans .

The structure of 1st conditional sentence is : **if + present simple , will + base verb.**

18- This car...last week but it is broken again.

Correct Answer: "C" (was repaired) **Explanation:** here we have two verbs , the auxiliary verbs which is the verb to be in past (was) and the base or mean verb to repair , also in past (repaired) , but this sentence is in passive voice, because it focuses more on the object than on the subject , in other words, the object received the action practiced by the subject .

19- Why is the dog ...like that? Something strange is happening.

Correct Answer: "A" (barking) **Explanation:** the function of dog is to bark , and we again have the case of continuous tense , we have the auxiliar verb to be in present, then after base verb (to bark) we have + ing , so the sentence is in present continous due to the cojugation of auxiliar verb in present and so on..

20- Covid-19 ...a lot of people in 2020.

Correct Answer: "B" (killed) **Explanation:**the verb is in past simple being obe of regulars verbs and Consequently the sentence is in past , even because in real situations its happened in past not in present .

21- Did the policeman ... you which way to go?

Correct Answer: "C" (tell) **Explanation:** The verb "tell" fits here because it means to give information or instructions.

The auxiliary verb "did" puts the sentence in the past simple tense, so the main verb must be in its base form tell, not told or tells , even if we are talking about the police which is in 3rd person of Singular.

22-The traffic light is red. You ...stop.

Correct Answer: "B " (must)**Explanation:** "Must" is a modal verb used to express obligation or necessity , So when the traffic light is red, it's a legal and safety requirement to stop that's why "must" fits perfectly.

27 - Laura's school ... in the 1970s, before independence.

Correct Answer: "C" (was built) **Explanation:** we again have the passive voice the sentence foccus more in object than subject that's why the sentence is in passive voice.

28.. Tomas ...be home this time. Let's pay him a visit.

Correct Answer: "C" (might) , **Explanation:** The speaker is uncertain , but hopeful that Tomas is home , so the word "might " express possibility and is a modal verb .

29- The dog hurt ...while climbing the wall.

Correct Answer: "B" (itself) , **Explanation:** the name dog is in third person singular , " It" and this pronoun is used to describe animals and objects , but as the sentence foccus in reflexive pronouns, we will have itself, because the action happened to object which is the same subject.

30 - Marrabenta is danced in the south of Mozambique,...?

Correct Answer: "B" (doesn't it) , **Explanation:** In that sentence we have a tag questions, where we usually have questions tag in the end of a sentence, to confirm ,check or ask for agreement , and if the statements is negative, the questions tag will be positive and vice-verse.

Eg.: we are going to school, aren't we ?

The tag questions is expressed by adding negative form in auxiliar verb (to have, to do , to be)

If the statements is positive ,then the pronoun is added.
