Resolução do Exame de 10 Classe Inglês 2025, 1 chamada

#### Section I:

1. A) In Angonia, the local radio aims to educate peasants.

Explanation: The text gives us the answer.

B) The radio director established listening clubs.

Explanation: It's played on the text.

C) To share ideas means exchange "discuss" ideas about agricultural problems.

Explanation: We are dealing with Synonyms. To share ideas: talk to someone digging for ideas.

D) The peasant cried because he realised he was wrong not attending these meetings before and now he is proud as he learnt lot of things.

Explanation: The last paragraph of the text gives us this information.

E) The text title is: The importance of radio in communities.

Explanation: If we pay attention to the text, we can see that it is all about the importance of radio in communities, specifically Angonian community.

2. A) The sentence is in past simple tense.

Explanation: past simple expresses action finalized (watched, ate, drunk...). So the aimed tense is in past simple.

B) The radio director didn't stablish listening clubs.

Explanation: One of the ways of making negative form is using: do + not, our tense is in past simple, so we have: didn't + present (establish) that represents the structure for past simple.

C) When I listen to the radio my mind relaxes.

Section II:

3. Society.

Explanation: Education acts in society.

4. Business.

Explanation. We learnt that English is a business language (internationally).

5. Software.

Explanation: When we talk about software we are talking about the virtual system (we usually update) not the physical one (hardware).

#### 6. Because.

Explanation: For sentences like these we gotta know that the meaning is the first thing we have to embrace. If people are protected it means that someone (or something) alerted them, so... They are protected because TV alerted them.

## 7. Taught.

Explanation: The sentence take us to the past simple, and we are dealing with an irregular verb "teach".

#### 8. Some.

Explanation: We are dealing with specific (or limited) information "about computers" that's why we must use some (not any).

#### 9. A student.

Explanation: Let's take "a" student because the word "university" begins with a "yoo" sound, which is a consonant sound rather than a vowel sound.

### Section III:

Composition (It's optional, everyone can write according to his society) but let's take the following composition:

# 10. Traditional ceremony in my community.

In my community, we have many beliefs and practices that take us to the past. For example, when a woman is to be married, first we have a

ceremony we call lobolo, where the man goes till her house with things her family tell him to bring as the condition that will make marriage take its steps.
